

## CEP Atlantic Communications Council

### Membership Bulletin November 4, 2005

During the month of October, membership voting took place in the four provinces on the By-laws of the CEP Atlantic Communications Council. The By-laws were counted on Sunday, Oct 30 and were approved by the members. A copy of the By-laws can be found on all the local websites

This marks a new era in our union in that it significantly streamlines the structure from the organization of CATU. There is one executive body of six elected officers instead of the previous twelve, which will be less expensive to administer and will greatly improve efficiency.

The new Executive Officers are:

Penny Fawcett – Chairperson  
Noel Pauley – Vice Chairperson  
Tom Retieffe  
Chuck Rouse  
Joyclin Coates – Treasurer  
Mary Croke – Recording Secretary

The Executive has a full schedule of meetings booked to the end of 2006. One noted difference that you can expect is regular communication from the Council. It is important that you know the activities of the union and the company and we will bring you up to date very soon.

In solidarity,

Penny Fawcett	Noel Pauley
Tom Retieffe	Chuck Rouse
Joyclin Coates	Mary Croke
