June 26, 2007

Dear Sisters & Brothers,

You are all probably aware of the imminent takeover/sale of BCE Inc. In light of this and other turmoil in the industry and to provide stability in an uncertain environment, the company and the union entered into exploratory discussions during the past few weeks to investigate the possibility of extending the current collective agreement.

On June 21, 2007 a memorandum of agreement was reached between the parties. The memorandum is posted on the CEPACC website (www.cepacc.ca).

Ratification meetings will be taking place in all four provinces commencing July 10, 2007. Notices of scheduled meetings will be posted in advance by your local.

In solidarity,

CEPACC Executive
